FOREWORD

"School" will always bring memories to both mind and heart. These memories were formed in four years at Cradock High.

In our minds will be the facts that college teachers and future employers will want; in our hearts are the feelings, the recollections, and the love which we associate with our Cradock High.

Nowhere can we go that will let us forget the Freshman initiation, when we thrilled with pride as a mighty Senior said, "you! get on your knees!" That pride came to us the moment we walked into the halls our Freshman year and it has never left us.

We want to express this pride and the love we all feel for our Alma Mater in a tribute to and collection of "Cradock Memories", The 1959 Admiral.

Our class in September, 1955, during Freshman Initiation Week.

September, 1958, at the beginning of our Senior year.

Dedicated To

We, the Seniors, dedicate with great pride our 1959 **ADMIRAL** to Miss Phoebe E. Weaver. She is a person who has done much for Cradock High School and for its students throughout the years.

Miss Weaver is always ready to help unfortunate students and to lend a helping hand to anyone at any time even though it might inconvenience her. She has sponsored the National Honor Society and the Varsity Cheerleaders for a number of years. She often goes beyond the call of duty and thereby earns the admiration of all.

We, the 1959 Class, will long remember Miss Weaver because of her unfaltering trust in Cradock students and unwavering loyalty to Cradock High School.

Seniors Margaret Edwards and Dickie Johnson look on as Miss Weaver explains office procedure to them.

Colorful Moments

Seniors Fred Kennedy, Kenneth Storms, Robert Gregory, and Lynn Rush, watch Carolyn Briggs as she reaches for her "bull's eye" arrow.

Wayne Hathaway tries to draw a picture of Barbara Kyle as Sandra Hicks and Ruth Hemp look on.

We caught these students in a studious mood. It seems they are having a big test in the afternoon.

In the hands of the School Board is placed the future of the Cradock students. The Board has the authority over important rules and regulations.

These prominent men, well versed in the problems of school students, prove their wisdom and understanding many times in solving and eliminating worries.

The members are: Charles E. Russell from Western Branch; H. C. Paxson, Jr., who is one of the assistant superintendents; H. A. Hall, Jr., from Pleasant Grove; S. H. Everton from Deep Creek; E. W. Chittum, the Superintendent; S. N. Sawyer, the Clerk; B. M. Williams from Washington; M. C. Alford, the Supervisor of Education; and A. E. Roach, from Butts Road.

MY FRIENDS, THE CLASS OF 1959:

I am proud of the graduates who are now taking their places in our nation of good citizens. Your real worth will be measured by the yardstick of service and production. May your abilities be realized to their full expression.

We make our country stronger by strengthening the lives of students. Ours is a wonderful heritage of liberty, freedom, and opportunity. We enjoy these privileges at Cradock.

This book will bring an abundance of pleasure and many wonderful memories to those who participated in this portion of Cradock's history. Its pages will enable you to recall classmates and acquaintances, the experiences, the activities, the honors, which enriched your lives while at Cradock.

I know that the class of 1959, and those of the future, will continue to carry Cradock's significant contribution to the life of their community and state.

The 1959 Class is very proud to recognize its forty-six Honor Graduates. It has taken three and one-half years of hard work for them to attain this honor.

We honor individually the top fifteen of our class who made a 3 or above average, ranging from 91.5 to 96.9.

This is indeed an outstanding achievement. Shown in the group picture below are those averaging 88.5 and above. We wish these forty-six seniors much success and hope they attain even greater achievements in future years.

1st row, left to right: Isaac Cannon, Ray Kohser, Frances Richardson, Barbara Culver, Carolyn Dennis, Joann Hall, Nancy Pritchard, Donna Wiggins, and Linda Lee. 2nd row: Robert Gregory, Fred Kennedy, Diane May, Margaret Edwards, Doris Grant, Bobby Spence, Joe Barnes, Pat McKean, Nina Eanes, Gloria Jones, Faye Gray. Standing: Jan Hamilton, Kenneth Storms, Barbara Ferguson, Charles Henkle, Johnny Underwood, Larry Simpson, Marion Carroll, Barbara Capps, Chip Wilder, Carol Collins. Absent when picture was taken: Darryl Toler.

Charles Porter, music and Mary Wellman, words.

Class Song

The time draws near when we must part
From you, dear Cradock High,
It is with fondest memories
We soon must say goodbye.
We remember all the joys we've known
The guidance and friendship we've gained;
We think of Cradock with all love and pride
Within our hearts contained.

Cradock, we can never forget
Our four years in your halls
But though we remember them always
We must go where the future calls
Well armed with truth and knowledge dear
We go forward to meet life's tests
Boldly we face what ever may come
Eager to do our best.

Class Poem

I looked into the future days
But little could I see;
I looked into the days behind;
A perfect Memory.

And so I stepped on board the ship
Which bore me 'cross the sea
And as my guiding star I took
That Perfect Memory.

That Memory gained from years of work,
Of work, and years of fun.
A star can't guide unless by years
Of both, it has been won.

My ship was tossed for days on end
And yet I saw my star
To guide me from this tempest, on
To reach the shore so far.

The shore I'll reach when life is past,
'Til then I watch the sky.
I dare not look 'way from that star—
—Mem'ries of Cradock High.

Kathy McGinnis, Class Poet.

Our Class History

Historian—Charlotte Lupton

We, of the graduating class of 1959, look back on our four years at Cradock High with unceasing joy and devotion to the school which we have called "home". And it is true that Cradock has been our home ever since that first day in September four years ago when we, as frightened freshmen, took our first faltering steps into these hallowed halls of C.H.S. Do you know what it's like to be "awestruck"? Well, we do! We remember our first high school assembly and how we were lost in the wonder of it. We remember Orientation Week when we shined shoes and carried books just for a kind word from those mighty Seniors. And we remember how our arms ached from carrying those two loads of books and how we almost never got all the black polish from under our fingernails.

However, the wonder of those first few days soon wore off and we plunged headlong into our high school career. We held our first class meeting early in September and elected Charles Porter, President; Kathy McGinnis, secretary; Charles Henkle, vice-president; and John McDuffy, treasurer. Our first S.C.A. representatives were Barry Dail, Carolyn Hall, B. B. Hamaker and Charles Porter. Our freshman class sponsor was Miss Cora Mae Fitzgerald.

Yes, at last we were in high school, and so, eager to have our talents recognized, we plunged into all Activities. Our Freshman-Sophomore Prom, "Out of This World", was simply wonderful, and we were very proud when Carol Taylor was elected Maid of Honor in the Beauty Contest.

As sophomores we lost the awe of our freshman year and settled down to make a name for ourselves. No one can know how we felt when our B. B. Hamaker led the "Fighting Admirals" to one

of their best seasons with seven wins and three losses. Helping to make our Sophomore class one of our best was Charles Porter, president; Marion Carroll, vice-president; Betty Lou Gwaltney, secretary; and John McDuffie, treasurer. Our sponsors, Mrs. Bruce and Miss West, helped us make our Freshmen-Sophomore Prom a huge success.

Our Junior year was almost tops. Once more Charles Porter was elected president and he was assisted by Marion Carroll, vice-president; Benny Kendrick, secretary; and Bobby Spence, treasurer. The job of guiding our class was given to Mr. Jack Benzie, Miss Janice Cannon and Mr. Jim Mounie.

We were very proud to have Isaac Cannon, treasurer and Charles Porter, vice-president of the S.C.A. We applauded Betty Lou Gwaltney, our Junior Associate Editor of the Annual and Shirley Waite, Editor of the Log.

We made great plans for the Junior-Senior and with Donna Wiggins and Sandra Marks as Prom chairmen we gave our all toward making our dance a success.

We ordered our class rings and dreamed of our Senior year which was now very near at hand.

Then, suddenly, we were seniors! At last we were "high-man on the totem pole" and with the return to school in September, we set out to make sure those wretched freshmen understood that we were tops and would remain so, unchallenged. We also recognized that with our seniority came responsibility. We were now school leaders and all the other classes looked to us as an example of CHS at its best.

We chose our class officers early and settled down to guide, as best we could, our beloved school. We elected Marion Carroll, president; Johnny Underwood, vice-president; Janet Thompson, recording secretary; and Charlotte Lupton, corresponding secretary. Mr. Affeldt worked diligently with our home-room treasurers and once more our beloved Miss Byrd took the office of Senior Class sponsor.

Our Annual Staff was led by Betty Lou Gwaltney and Shirley Waite continued her reign over The Log.

Scholastically we were tops (or so we thought) and Warren Wood helped us to prove our point when he became the first Cradock student to enter the semi-finals of the National Merit scholarship exam. We cheered even louder when Kathy McGinnis won first place on the Betty Crocker Homemaking Exam and then, to top it off, Isaac Cannon and Charlotte Lupton won top prizes in the Youth Honor Day essay contest. We were also very proud to have three members of our class hold offices in the SCA. Charles Porter was elected president; Donna Wiggins, secretary; and Bobby Spence, treasurer.

Slowly the events slipped away—Freshman week, the Back-To-School Dance, Homecoming, the Fall play, Christmas, Basketball season, announcement of Valedictorian and Salutatorian, Baseball and Track, the Senior Class play—"The Egg and I", the Miss Cradock Contest, Baby Day, the Junior-Senior Prom, The Senior Banquet, SCA elections and then—Exams.

The final days of our senior year were full of wonderful, never-to-be-forgotten memories. More than one tear was shed during Baccalaureate and Graduation ceremonies. We found it hard to realize that we were no longer a part of Cradock High. As we stood together for the last time, we realized we were now approaching adulthood and we were very grateful for the school that had tried so hard to prepare us for the long road of life ahead.

Cradock had been more than just a school; it had been four years of our lives. And so, as we passed through its portals for the last time, our diplomas in hand, we knew we would always remember our wonderful carefree days at Cradock High.

The Junior Class

Ken Dice, Junior Class President

Ken Dice, class president, led the Junior Class through a very eventful year. The other officers of the class were: Robert Jones, vice-president; Kay Prince, secretary; Larry West, treasurer; Bennie Cahoon, reporter; and Richard Huneycutt, chaplain.

Our Homecoming Representatives were Janice DeJarnette and Nicky Rhem. The Juniors also gave \$75 for a page in the annual from the Junior Class.

Class dues were set at \$1.50 to finance the Junior-Senior Prom where we acted as hosts to the Seniors on May 22. Karen Belding and Norma Cousins were co-chairmen for the prom.

All in all, the Juniors say, "this year couldn't have been better."

Class Officers: Ken Dice, President; Kay Prince, Secretary; Larry West, Treasurer; Richard Huneycutt, Chaplain; Robert Jones, Vice-President; Bennie Cahoon, Reporter.

Graduates Of 1960

Class Sponsors: Miss J. Cannon and, absent when picture was made, Mr. A. Niemeyer.

The Sophomore Class

Sophomore Class President "Shorty" Kay

Under the leadership of "Shorty" Kay, class president, and the other officers, the Sophomores had a very successful year. With the help of Mrs. Bruce and Mr. Blake, class sponsors, we collected the \$1.50 class dues.

Yvonne Coffman and J. R. Wilburn were chosen to represent the Sophomore Class during the Homecoming festivities.

One of the first projects of the year was the collecting of food for needy families at Thanksgiving and Christmas.

The most important event of the year was the Freshman-Sophomore Prom. The dance was held in the school gym on March 14. The Prom was decorated beautifully around the theme, Mardi Gras.

The Sophomore Class has enjoyed the year 1958-59 and say, "this year was one to remember."

Class Officers: Vice-President, Wayne Waff; Nellie Houston, Secretary; Buddy Harris, Treasurer.

Graduates Of 1961

Sophomore Sponsors: Mrs. E. Bruce and Mr. P. Blake.

The Freshman Class

President Janice Hammond

This year, we the Freshmen, were very frightened to think of starting high school. But now that we have experienced several months of high school life, we find ourselves very much a part of Cradock High School. Thanks to the upperclassmen we feel at home.

The biggest project of the Freshman class this year was the Freshman-Sophomore Prom. The collection of the \$1.50 dues enabled us to have a successful prom. The Freshman Class also participated in the Food Drive at Thanksgiving and Christmas.

Though our Freshman year is over, we are looking forward to the years to come at Cradock.

TEAM HISTORY

The 1958-59 football team coached by Larry Weldon had one of the best seasons it has ever had. It won 7 and lost only 3, two of the games that were lost could have gone either way and Cradock was favored to win both. All in all Cradock was picked to win 9 out of ten and could have with a little luck.

The astonishing game of the year was with South Norfolk. South Norfolk was undefeated at that time, 6-0. The game was icked as a toss-up but Cradock had other eas. The fighting Admirals went out to win 39 to 13.

Our Coaching Staff

Mr. Larry Weldon

"FIGHTERS FOR THE ADMIRALS"

The biggest fighter of all our coaches is Mr. Larry Weldon. Mr. Weldon received his first big crack in coaching in professional football.

Another fighter who is considered a line coach is the likeable Mac Eure. This is his third season as line coach. Besides being line coach Mr. Eure does the team scouting this year.

Mr. Jack Benzie, who worked with the junior varsity and assisted Mr. Weldon with the varsity backfield is also a good coach for the Admirals. Mr. Benzie is a graduate of Wilson High School and East Carolina. Mr. Benzie played two seasons of varsity football at Wilson. At East Carolina he was a backfield regular for four years.

The newest of our Admiral fighting coaches is Mr. Russell Moon. Mr. Moon replaced Mr. Reggie Byrd as line coach. He was a standout lineman for two seasons at the Blacksburg Institution and his college performance earned him several pro offers. But Mr. Moon decided to enter the coaching field and was happy to land the Cradock coaching job.

"TEAM HISTORY"

Cradocks 1958-59 basketball team has been tagged by both coaches and sports writers as the best team ever to be at Cradock. Out of the starting five of last year's Admirals three are back this year plus all but two reserves.

This year's club is made up of five seniors including Tommy Odom, Merkie Carroll, Barry Dail, Jackie Lawson, and Glenn Griffin. Four juniors, Paul Rollins, Richard Honeycutt, Lennie Umberger, and Ed Perouni. Two sophomores, Wayne Waff, and Larry Weldon. One freshman, Jackie Morris.

Coach Mac Eure has said that he expects more from this team than any team he has ever coached before. Coach Eure said that this year's team has height, something that has hurt Cradock teams in the past. Over half the team is over six feet tall.

Merkie Carroll and Barry Dail are being counted on heavily to score from the outside while Odom, Waff, Griffin, and Umberger are expected to do the inside work.

Out of the twelve man squad ten were on the football team and five are lettermen.

The Student Cooperative Association

The Student Council started the ball rolling this year even before the opening of school by publishing a new handbook and treating the faculty to a "coke party".

With the opening of school came the first dance of the year, the "Back to School Dance". Other back to school activities included the first assembly, the selling of activity tickets, the Freshman Orientation classes, Howdy Day to welcome new students, and setting up the year's objectives which are as follows:

1. To promote an attitude of high spiritual and moral standards in all phases of student life.
2. To build citizenship by encouraging: a. Scholastic achievement b. Care of the building c. Good school spirit
3. To emphasize the importance of honesty in every action of life.
4. To stimulate interest in a program of Civilian Defense

SOPHOMORE REPRESENTATIVES: LEFT TO RIGHT; Shirley Hayes, Nellie Houston, Kay Nance, Judy Simms

5. To prevent usurpation of the powers of the Student Council as stated in the Constitution.
6. To promote a relationship of high standards:
 - a. Between the SCA and PTA
 - b. Between the Student Council and the student body
 - c. Between the student body and the faculty
 - d. Between the student body and the community
 - e. Within the student body
7. To keep the student body better informed

Having a tough set of objectives to meet the Council immediately started working to reach their goals. It was possible to reach these goals through such projects as the Mistletoe Hop, the Honor Roll parties, the changing of the traffic system, School Spirit Week, assemblies, Teacher's Day, the Beauty Contest, and numerous others.

The end of a successful year was brought to a near close by the election of officers and representatives.

The Cradock Chapter of the National Honor Society, an honorary organization sponsored by the National Education Association, was formed in 1954. The purpose of the Honor Society is to promote character, encourage scholarship and leadership, and to stimulate a desire to render service.

To be eligible for membership one must have a "B" or 90+ average and must show

outstanding leadership, character, and service. Membership is limited to 15 per cent of the Senior class and ten per cent of the Junior class.

In addition to various projects, there is the impressive induction ceremony in November at which new members are tapped and there is the spring banquet.

The Inter-Club Council, formed to help clubs solve their problems, faces its most critical period this year. Clubs, having to meet entirely off of School time for the first found an entirely new type of problem facing them.

The Council works in every way possible to boost interest in our Club Program while, at the same time, offering service to our community. A clothing drive for Goodwill Industries in Norfolk and a Blue Crutch

Club Presidents look over The Councils Records.

Drive during the March of Dimes drive are included in this year's program.

The officers, a President, Secretary, and a Publicity Chairman are backed by the able sponsorship of Mrs. Shirley Brooks.

To the present time the Council has been composed of All Club Presidents and has proved successful and we hope that it will continue serving the clubs in the future.

The D. O. Club discusses different vocations.

Our Diversified Occupations Club is a part of the State organization which is made up of D. O. students in various high schools in Virginia. We also actively participate in D. O. District I in the Tidewater Area.

The purpose of the D. O. Club is to develop within the students the qualities of leadership, fellowship, character, and citizenship. This year our local D. O. chapter was the

largest one in the area in that we had 31 students working in 14 different occupations. Our club was the host club for one of the three District Meetings and we furnished a pleasant evening of entertainment. Members of the club also competed with other D. O. students in the district and state contests for Public Speaking, Job Interview, Spelling, Poster, Essay, Club Scrapbook, and Occupational Exhibit.

"Attention! Forward March!" At this command 26 girls, grades 9 through 12 go into their routine as the Cradock High Drill Team. The team is sponsored by Mrs. James Mounie and headed by captain, Edith Larrabee, a sophomore.

The team had a real treat when they were drilled by a snappy Marine Sergeant, Jerry C. Black of the Marine Barracks in Portsmouth. He showed them the basic steps and composed the team's formations.

The uniform will again be black bermuda skirts, white crew neck sweaters and white knee socks. They again marched in the Annual Cradock Homecoming Parade. We hope to see you all next year when we will again drill at halftime games.

Drill team members discuss their next formation.

Dramatics Club

To encourage any flicker of interest or talent in Drama, the Dramatics Club was formed.

We have tried to increase our knowledge and appreciation for the field by participating in projects of this nature.

A skit was given by each class to the remaining members of the club. Then criticism, in any form, was welcomed.

Mr. Blake, the Dramatics Club sponsor, spoke of Drama to the club enlightening us on many interesting subjects of the theater.

Publicizing the school plays and giving an assembly, help to lengthen our wisdom of Drama.

Taking part in Homecoming, we decorated a float. We also participated in the Blue Crutch Drive, The Goodwill Drive, which were the charity projects the club undertook.

To die or not to die that is the question.

The Thespian Society

The Thespian Society is a more advanced group in dramatics than the Dramatics Club, though each of them has the same set goal which is the advancement and promotion of dramatics. In order to become a member of Troupe 1491, a student must have earned at least ten points in dramatics at some time previous to his induction. He may do this by his participation in plays and work back stage, etc.

It is considered quite an honor to become a member of such a highly, nationally recognized organization.

Feeling a need to have some common field of extra-curricula work other than classwork, the Seniors have found this club to be the answer.

Because the Seniors of Cradock must begin anew each year, the problem of organization is a major problem. This problem overcome, the first in a number of years we have set high goals for our year's work.

In an active effort to be a real part of our school's club program, our club participates in all service projects of the club system.

The project which we hope to complete this year as a club is the placement of flag pole in our football stadium. We feel that completion of this project will give a great deal of additional respect from the people who attend our football games.

During the past year, the Science Club has sponsored such projects as: formulating a school Civil Defense committee, encouraging scientific interest in the lower grades, and participating in the Blue Crutch Drive. As concerns the encouragement of science in the lower grades, a science fair was held in the school cafeteria February 21, with prizes being given to the various grade groups. The club also encouraged science projects by the individual members for competition in local and state science fairs.

The Club has grown in importance with every year and looks forward to even more successful years in the future.

The Monogram Club

The Monogram Club, under the guidance of Mr. Larry Weldon and Mr. Russell Moon, has ideals for the betterment of the school and its individual members. To gain membership, one must have earned a letter in some varsity sport and then have one-hundred per cent of the club membership vote him in.

This year the club has participated in the Blue Crutch Drive, the collection of food for Thanksgiving, and the Good Will Drive for the purpose of bettering the community.

The G.A.A., although comparatively new at Cradock, has joined in with all activities offered to clubs and we think we have been very successful.

The club was started by and has been sponsored by Mrs. Shirley Brooks. Its purpose has been to give girls an opportunity to participate in athletic events outside of their gym classes.

Among the activities of the club have been collecting for Goodwill Industries, Blue Crutch, and the needy families for Thanksgiving and sponsoring a float for the Homecoming Parade and tournaments in basketball, volleyball, bowling, softball, and tennis.

The girls in the G.A.A. have enjoyed our club and wish to thank the gym teachers who sponsor it, without whom the club could not have been as successful.

Cradock High

This year the activities of the Cradock High Band have increased. A new stepped-up program was begun in the summer when the Band Staff began organizing activities for the coming year. This program has been very successful so far.

As usual the band performed at half-time for football games, but this year's shows were better than ever. The band put on jazz shows but showed an example of its ability to become serious when it thanked the bandparents. We were strutting in our new uniforms a full year before the bandparents promised them to us. Only the hard work of these unselfish could have accomplished such a high goal.

To help promote grandstand cheering, the

band was proportioned down and for the first time we played at basketball games. We hope to continue this policy next year.

The band is also going to have two annual concerts; the Christmas Concert and the Spring Concert. To top off the year at home, the band will have an annual banquet to award letters and pins.

Of course the biggest event of the year will be the Annual Band Festival. Again this year we will be playing Grade 6 music which is the most difficult grade and we are striving for top honors. We have also been invited to a parade in Charlottesville, Va. and to the Apple Blossom Festival in Winchester, Va.

Distributive Education Club

D. E. Club members prepare a prize-winning ? ? ? scrapbook.

The Distributive Education Club is working very hard this year to accomplish their many objectives and projects for this year.

The professional type dinner meeting that was started last year is being continued this year and is working quite well. This meeting consists of a business meeting and a special program each month.

A useful occupation depends upon a person's education in the field in which he intends to go as a profession. We believe that

Left to right: Standing: Larry Tucker, Treasurer; Kenneth Potts, Parliamentarian; Wilson Brown, Editor-Promotion Manager; Barbara Varner, Vice-President. Seated: Barbara Gilbert, Secretary; Dorothy Jones, President

the Distributive Education Club helps provide this education.

AIMS AND PURPOSES:

To provide the club members with a means of learning of vocational opportunities in the field of distribution.

To develop a means of integrating the Distributive Education program with other school groups through joint sponsorship of projects and recreational activities.

Bible Club

The purpose of the Bible Club is to seek to reach the students with the Bible through personal witness, to instruct the Christians in the Lord, to promote Christian fellowship, and to create more interest in the Bible throughout the school.

This has been a banner year for our re-organized Bible Club. Our first action as an organization was to appoint a special committee to rewrite our old Constitution which

had become inadequate. This new Constitution is now completely done and has been in service most of this year.

We are very pleased to have had three most competent sponsors this year, Mr. Fariss, who left us in mid-year to assume a pastorate at Virginia Beach; Mr. Branch, and Mr. Toler, all of whom were great assets to us as a club and individually.

Officers: Mr. Branch, sponsor; John Casteen, President; Gloria Ward, Treasurer; Barbara Skelton, Secretary.

The Art Club

The purpose of the Art Club is to bring the joys and beauty of art to students and other members of the community. We feel that the enjoyment of art makes problems more simple and therefore makes this a better place to live in.

This year the Art Club has tried very hard to accomplish its goals by participating in the Goodwill Drive, the Blue Crutch Drive, the Homecoming Parade, and numerous social affairs such as skating and bowling parties.

Quill And Scroll

OFFICERS — Betty Lou Gwaltney, President; Carolyn Briggs, Secretary; Shirley Waite, Treasurer; Tommy Forbes, Vice-President

Reviving the society, in 1957, to increase Literary interest and competition the re-organizers named it, The Ruth Credle Chapter of the National Quill & Scroll, in honor of its sponsor.

All over the nation the society has members enrolled in high school and throughout college for their participation in journalism.

To increase the recognition and honor of the Quill & Scroll the new members were inducted in an assembly on March 6. There was also a spring induction.

The Future Homemakers of America is a state and national organization of home-making pupils in high schools of the United States. It is an integral part of Home Economics. It offers opportunity for the future development of pupil initiative in planning and carrying out activities related to home-making.

Through this club we have an opportunity to develop social qualities, leadership, and to promote better home life for ourselves and our families.

The motto of our club is "Toward new horizons." Our club sponsors are Mrs. Adams and Miss Barbara West.

The main objective of the Future Teachers of America has been to further the knowledge and interest in the teaching profession.

Members of the club have had the opportunity to practice teaching at James Hurst School, where they have been able to observe the classroom procedure of an elementary teacher.

Several members of the club attended the annual State Convention in Richmond where one of our delegates was elected Vice President of the Student Virginia Education Association.

Other than club social activities and programs, the F.T.A. has cleaned and re-arranged both teachers' lounges, babysat for teachers at the faculty picnic, and given a teachers' tea.

We had one regular club meeting and two call meetings this year but we have not been inactive. We had a Christmas party for club members, made plans to organize a F.B.L.A. club in Deep Creek High School, and had a social to get together with the Business Club of Deep Creek. We were also active in the Homecoming events and participated in the Good Will and Blue Crutch Drives.

The Draftsman's Club

Left to Right: Tommy Forbes, Cameron Appel, Warren Wood, President, and Wallace Sawyer.

The Draftsman's Club is an honorary function within the drafting classes of Cradock High School. When a Student has drawn an "A" plate he becomes a member of the Draftsman's Club and his name is placed on the membership list located in the classroom. For every additional "A" plate the student draws he has a star placed by his name.

The standard of achievement for the Draftsman's Club is neatness, precision, and accuracy.

Admirals Hi-Y

The purpose of the Admirals Hi-Y Club is to create higher Christian standards in a way that it will be a benefit to the student, the school and the community.

This is the first year the Admirals have re-organized since breaking up 2 years ago. Although being a new club we have participated in the clothes drive for the Goodwill Industries, helped in the Blue Crutch Drive which was to fight against Polio. We have had several splash parties at the Y. M. C. A. and we have also sponsored a dance on January 23 at the Y. M. C. A.

The Admirals Hi-Y this year is not one of the larger clubs, but it has been very successful under the sponsorship of Mr. Albert Kowalak.

Left to Right: First row: David Hall, Tommy Butler, Bobby Spence, Jerry Barnes. Second row: Mr. A. D. Kowalak, Tommy Neathery, John Cannon. Sigma Tri-Hi-Y

It is the purpose of the Sigma Tri-Hi-Y to create, maintain and extend throughout the home, school and community, high standards of Christian character.

In order to give service to our community, we participated in the clothes drive for the Goodwill Industries, sold Forget-Me-Nots for the Disabled American Veterans, and sold Blue Crutches to aid in the fight against polio. Each month we attended a local church together and had splash parties and bowling parties. Several times through the year we held dances.

The Sigma Tri-Hi-Y, this year one of the larger clubs of Cradock, made the year 1958-59 very successful under the sponsorship of Miss Frerda Ledbetter.

First row: Ann Engle, Doris Grant, Mary Wellman, Grace Blow. Second row: Priscella Wyant, Shirlee Jenkins, Linda Batten, Linda Green, Mary King. Admiral's Tri-Hi-Y

Officers: Left to right: Patsy Jeffries, Treasurer; Margaret Edwards, Vice-President; Judy Stalls, Secretary; Janet Thompson, President.

The Admiral's Tri Hi-Y is one of the youngest, but one of the largest clubs in Cradock. It was organized in 1953 and since then it has become very active.

The platform of our club is clear speech, clean sportsmanship, and clean living. With the aid of our president, Janet Thompson, we have tried to measure our club up to these standards.

The activities for the year have been canvassing for food at Thanksgiving, attending church as a group, entering a float in the Homecoming Parade, canvassing for the Good Will Industries and the Blue Crutch Drive.

As entertainment we planned splash parties and dances.

The Kappa Tri Hi-Y is an organization of young Christian girls. Our purpose is to create, maintain, and extend throughout the home, school, and community, high standards of Christian character.

Some of our activities included in the school year are decorating a float for homecoming, taking part in the Goodwill Drive, and participating in the Blue Crutch campaign. This year we sent money to "Care" for people who are less fortunate than we are. The "Mile of Pennies" is sponsored annually by our club. In the spring we send representatives to the Model General Assembly and we participate in the Easter Dawn Service.

During the entire year we have many social activities to keep our members well acquainted with the club.

How many miles of pennies do you count?

Left to right: Betty Yeary, Treasurer; Carol Warren, Vice-President; Mariane Elder, President; Marsha Ehoff, Secretary.

This year the members of the Lambda Tri Hi-Y have strived to make their club the best and most active in Cradock. The girls are fond of their club and have participated in activities of this year to better it.

The highlight of our activities was the Goodwill Drive and the float, "Lambda Lands on the Moon" for the homecoming parade. A rummage sale was held along with a dance at the Y. M. C. A. and several splash and pajama parties. Lambda also planned a "good speech campaign" to take place within our school.

A successful year was enjoyed because of hard work by all members and sponsors, Mrs. Jayne Wilkinson and Mrs. Elizabeth Bruce.

Lambda members take time out for a snap shot.

The Gamma Tri Hi-Y is a club made up of Christian girls from each of the four high school classes.

The Gamma started the year with a slight problem. A large per cent of her membership work evenings after school and could not meet in the afternoon. We solved this problem by meeting at night at the homes of its members. This plan has worked out very well for us.

During this year we have undertaken many worthy activities. We entered a float in the Homecoming parade and took part in the Blue Crutch Campaign.

For money making projects the Gamma has had a bakesale, a dance, and a waistline party.

Officers: left to right: Bobby Mann, President; Billy Jeffries, Secretary; Dickie Huff, Vice-President; Wayne Newsom, Treasurer.

The Industrial Arts Club is composed of boys who have an interest in using their hands to build things. It is composed of boys from the school who take shop.

The Club proved its usefulness in making things with their hands by taking second place in the Homecoming parade floats with a fine entry. The Club has been active in school activities such as the Good Will Drive. As a moneymaking project, the Club made and sold Christmas knic knacs for the purpose of a party for the members at the end of the year.

Club participation has been good and with the help of Mr. David Joyner, our sponsor, the Club has had a successful year.

The Industrial Arts Club sets up their Christmas project in the shop.

The members of the Beta Tri-Hi-Y have strived to make their club the best and most active in Cradock.

In upholding the purpose of the Tri-Hi-Y which is, "to create, maintain, and extend through the home, school and community high standards of Christian character."

For Homecoming the girls entered a float in the Homecoming parade which won first place.

Our money-raising projects engaged in during this year were: bake sales, car wash, rummage sale, and dances. The non-profit projects were: splash parties, pajama parties, participating in the Goodwill Drive, Blue Crutch Drive, Party for a children's orphanage and attending church as a group.

Our whole-hearted thanks go to Mrs. Janet Edrington and Miss Joan Hill who were our sponsors.

The Shipmate Staff

The news of Cradock, like the news of the world, is never ending.

Among the projects undertaken by the Shipmate this year are its first annual current events contest and a special series of articles entitled, "Know Your Local Government."

1959 has proved to be a successful year for the Shipmate and for the crew as well. This was due to the fine work of the following: editor-in-chief, Mary Ann Jereme; page editors, Jane Lane, Mariane Church, Carolyn Smith, Judy Tarris, and Selba Morris; headline editor, Shorty Kay; art editor, Brad Boynton; sports editor, Gordon Phillips; and the typists, Nancy Boylan, Chan Poppel, and Marsha Ehoff.

Although the crew of the Shipmate has put in long hours of writing, we have enjoyed every minute of it. Through co-operation given by our fellow students, we were able to publish a September issue equal in quality to the later issues even though the new staff had only one week to prepare it. We are also proud of Miss Jane Hix, sponsor, for assisting the crew in every way to help make our newspaper a success.

The Log Staff

The Log has found its place in Cradock High School by offering the students an outlet through which they can express themselves in creative writing. Poems, essays, short stories, and feature articles, original with the student, constitute the body of the Log.

During this year much interest has been shown in the Log by the students. The member working on the staff is greater than that of any other year. Due to the publication fee there has been a greater circulation of the magazine than ever before. The quality of the material submitted for publication has also been good.

The staff presents with pleasure the two issues of the Log to the student body this year.

Homecoming---November 7, 1958

The homecoming court was beautiful and was enjoyed by everyone.

These are words which stand out vividly in the minds of each of us. Homecoming, the largest project undertaken by the student body during the school year, was extremely successful in 1958. Along with all the traditional frolics of any homecoming, several new attractions were added.

Work began two and one-half months prior to the big day. Committees were formed -- telephones began to ring as alumni from the classes of 1943, 1944, and 1945 were invited home for the reunion -- thoughts and ideas began to assemble and the entire student body was in a buzz with enthusiasm.

One of the most exciting events of our homecoming turned out to be the election of the King and Queen; (Melinda and Ronnie Robinson) a sister-brother team. This became another first in the history of Cradock High School.

All of our preparations were climaxed with the actual day of performance. The procedure of presentation began with the annual parade through Cradock, followed by a banquet in honor of the alumni; the football game with Norview High School; the crowning of the Royal Couple, and a dance.

Many memories were made on November 7, 1958--memories that will never, ever stray from the treasured thoughts of our happier high school days.

Twenty-three M&F people are participating in the current classes of the American Institute of Banking—learning how to be of even greater service to you.

We point this out because we are proud of them—and proud that banking is one of the very few types of business that conducts its own schools for employees.

When our ambitious folk bring home a good report card, YOU will be the one who benefits most from their schooling!

"Mounie's Kid Don't Cry"

"Mounie's Kid Don't Cry" was the fevatal play entry. Directed by Mr. Blake, this play written by Tennessee Williams was a huge success. It won the Distinguished rating on the local level and went on to win the highest rating at Charlottesville. The school was indeed proud of the fine job which Kay Prince and Lee Smith did and also proud of the crew, without which the play could not have been such a success.

Kay and Lee at a very tense part of the play.

Cast and Crew: Director, Mr. Pat Blake, Jon Belding, Joe Gilliam, Mal Thornhill, Lee Smith, Chan Poppell, Carol Hayden, and Kay Prince.

Row—Charles Aligood, Martin Vick, Don Cummings, Jerry Scott, Eddie Eaves, Walter Credle, Jan Bateman, Fred Burch, Joe Morrell, Bobby Lee, John Sitz.

Track

Cradock's 1959 track team, led by co-captains, Jack Lawson and Marion Carroll are looking to a more successful season than last year. Under the guidance of Mr. Jack Benzie, a crop of newcomers and lettermen should blossom into a well rounded team.

Returning seniors include Jack Lawson, who competes in all the field events; Murky Carroll, who, at the end of the second meet had broken his own high-jump record twice; John Underwood, who racked up 25 points last meet while throwing the shot-putt and discus; Martin Vick, the number one 880 man; Fred Crouch, one of the hurdle men; and Woody Holten, one of the 440 men.

Ed Peroini could easily break the 440 record. Wayne Hathaway and Eddie House show great promise in the discus. Ken Dice has the potential to become one of Cradock's greatest hurdlers.

Factors such as these are what makes Cradock such a well rounded team and such a tough competitor to any team.

Eddie "President" Ross gets ready for action.

Nelson Harris shows Warren Wood how it is done.

G o l f

Edgar Hudgins, Walter Adams, George Odom, Jimmy Darden, Andy Breeden, Don Gillikin, and coach Reggie Byrd.

George Odom and coach Byrd talk over Golf plans.

Andy Breeden hits it hard.

George Odom really hit it far (2 feet).

1st. Row—Jimmy Dorn, Billy Strickland, Barry Dail, Larry West, Floyd Parker, Larry Weldon, Tommy Odom, Johnny Wiseman. 2nd. Row—Mr. Eure, John Shackelford, Lewis Whildon, Jimmy Robinson, Charles Honeycutt, Wayne Waff, Richard Honeycutt, Billy Thomas, Mike Martin, Mr. Weldon. Absent: Richard Cutchins, Norman Ryder, and Gordon Phillips.

Baseball

The 1959 co-captains of the baseball team are Barry Dail and Billy Strickland. Barry Dail, senior, is a very valuable member to the team. He's a good fielder and dangerous man at the plate (.328). But among all his abilities he is the best pitcher the team has. Billy Strickland so far is the most valuable player on the team. He has proved himself to be a good hitter and also a good catcher. This is his 2nd year on the varsity. Billy is a senior. Norman Ryder, senior, was playing 1st string 2nd base until he broke his hand. Floyd Parker, senior, is a good man to have on any ball club. He is known for his speed. His specialty is bunting. Tommy Odom, senior, plays center field. He is a person who can hit the ball a great distance. If you don't believe it just ask him. Other members on the team are Errorless Larry West, Richard Huneycutt, Billy Thomas, Gordon Phillips, Tommy Moose, Johnny Wiseman, Jimmy Robinson, Jimmy Dorn, Charles Huneycutt, J. C. Petite, and Mike Martin.

Coach Eure and coach Weldon talk over the baseball schedule with co-captains Billy Strickland and Barry Dail.

Larry makes an out look easy.

Barry, Jimmy, and Wayne warm up before the game.

Billy Strickland is a powerful hitter.

Tommy is safe by a mile.
